MANUFACTURERS OF THE FIRST ANVIL MADE IN AMERICA

August 28, 1963

Mr. K. Gilliland, Engr.
Aerojet Gen Nucleonics
P. O. Box 77
San Ramon, Calif.

Dear Mr. Gilliland:

Thank you for your request for information on our Anvils.

We are forwarding to you our folders showing various size anvils manufactured by us. The smallest size we make for heavy work is the 50 lb. size.

The price on the anvils is 53¢ per pound, f.o.b. Trenton, N. J.

We will be pleased to receive an order from you.

Very truly yours,

FISHER & NORRIS

John M. Schumacher
